

REMARKS

The following remarks are responsive to Advisory Action mailed March 9, 2011 (“Action”). Reconsideration of the rejection and allowance of the claims are respectfully requested for at least the following reasons.

Substance of Interview

Applicants provide the following substance of the interview in accordance with M.P.E.P. 713.04. Applicants wish to thank Examiner Peng for the courtesies extended during the telephonic interviews conducted on March 16 and 18, 2011. In the interviews, the above amendments to claims 41 and 47, the rejection under 35 U.S.C. § 112, and the Advisory Action were discussed. The above amendments are the same ones filed with the response submitted on February 23, 2011, but were not entered by the Advisory Action.

In the interview, agreement was reached that claims 41 and 47, as provided above, are not indefinite and satisfy 35 U.S.C. § 112. Examiner Peng agreed to withdraw the rejection and that the claims are in condition for allowance.

Claim Rejections Under 35 U.S.C. § 112

Claims 2, 7-14, and 41-53 stand rejected under 35 U.S.C. § 112, second paragraph, as allegedly being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

As noted above, agreement was reached that claims 41 and 47 are not indefinite. Applicants respectfully request withdrawal of the rejection under 35 U.S.C. § 112, second paragraph.

Applicants further solicit allowance of all pending claims.

CONCLUSION

Applicants respectfully submit that the pending claims are in condition for allowance. Favorable reconsideration of this application is respectfully requested. The Examiner is invited to contact the undersigned should it be deemed necessary to facilitate prosecution of the application.

Respectfully submitted,
BANNER & WITCOFF, LTD.
